## DIRECTOR'S NOTE

Welcome, and thank you for joining us for our production of Miracle on 34th Street. Bringing this timeless story to the stage has been a true labor of love for everyone involved. In a world that sometimes seems to move too fast, a story like this serves as a gentle reminder to slow down and embrace the simple, magical moments of the holiday season. It's a play about the power of belief—not just in Santa Claus, but in each other. It's about the joy of imagination, the importance of integrity, and the idea that sometimes, the most logical answer isn't the one that's right in front of you.

This production is a testament to the incredible talent and dedication of our cast and crew, who have poured their hearts into creating this world for you. They have brought their own unique magic to every rehearsal and every performance. I am so proud of their hard work and the spirit they have shown throughout this process. As you watch the story unfold, we invite you to believe, to laugh, and to rediscover the Christmas spirit that lives in all of us. Thank you for supporting community theatre and for making this holiday season a little brighter with your presence.

Happy Holidays,

Duane Campbell - Director
